To Convert Floor Warming Program to the Full Function Mode

Push the right arrow key first **①** . While holding it down press the up **②** and down **③** arrows at the same time. If successful you will see the message "UPDATED" . If unsuccessful, repeat. The timing of pressing the buttons can be tricky.

To Verify - You can check to see that you have the full function mode by looking for "FLOOROCC" . Press Enter/Menu, scroll through Date, Time, Occupied, Vacation, then FloorOcc.
